This year’s theme for the 16th annual Camp Wonder event was A SALUTE TO THE OLYMPICS! In June our favorite nurses, doctors, medical staff, volunteers and counselors welcomed over 75 campers to Camp Arroyo in Livermore, CA. The campers enjoyed activities such as swimming, bunk skits, talent night, ropes course, horseback riding, arts and crafts, and the famous Camp Wonder Prom. In honor of the 2016 Summer Olympics, we were fortunate to have Megan Absten visit Camp Wonder. Megan was a member of the Paralympic Track & Field Team who participated in the Olympic Games in Rio. She inspired our campers and counselors with her story of the personal challenges she faced after her accident and how she competed at her first U.S. National Paralympics Track and Field Meet winning two silver medals. Our campers were even more thrilled when Megan competed in our own Camp Wonder Olympics!

THANK YOU Megan... for a wonderful day the campers will not soon forget and for making everyone of our campers feel like a GOLD WINNER!

Camp Wonder would not be the same without a visit from our local Livermore/Pleasanton Fire Department. Campers love to be able to explore the fire truck and can’t wait to hold the giant fire hose! The Pleasanton Police Department even brought their K-9 unit to Camp Arroyo. The campers are always awestruck by the stories and heroic actions of these amazing animals.

CSDF is blessed to have the continued support of our valued sponsors, Galderma and Stiefel. Not only do our sponsors help in our fundraising efforts but we are fortunate to have volunteers from these companies come for the week to experience Camp Wonder first hand. Thank you to Tiffany Smith, Tom Fitzgerald, Sean Clarke and Katherine Rouse from Galderma for making this week at Camp Wonder a special time for all of our campers. We would also like to thank Alicia Potuck and Yvonne Tucker from Stiefel, a gsk company for their constant enthusiasm and energy all week long.
